Workshops

- Personell
- Interdisciplinary Pain Rehabilitation Program
- Outpatient Medical Rehabilitation Program

Aim

- Increase knowledge and use of different e-health services.
- Learn from each other
Workshops

- Information how to find information at 1177.se

How to log in and read
Where to log in

How to use the medical record online in the rehabilitation process

- Rehabilitation plans
- Recommendations
- Assignments
Questionnaire

- Content?
- The concept?
- Usefullness?
- Comments

Comments

"Easy and instructive"

"I will go home and try it at once"

"Good – so you know"
Future

• Implement workshops/information - Pain Rehabilitation Program - focus on how to use it!
• Continue to evaluate the concept workshops for Outpatient Medical Rehabilitation Program
• New questionnaire to staff

Thank you!
