- Interactive glasses

Measuring and connected

- Sleep Cycle
- Sensoria Smartsock and Fitness Shirt
- Measuring your weight, heart rate, BMI and carbon dioxide levels in the room
- Apple Watch
The Digital Patient is Here

The Future of Health Centers

1. Communication and Relationship
2. Involved patient before, during and after visits
3. New ways to meet the patient
Communication and Relationship

Involved Patient
The Digital Patient is Here

New ways to meet the patient

New Mindset
Thank you!
